The Royal Bengal Airline journey continues at the annual Birmingham Mela

The Royal Bengal Airline (RBA) tour around the UK continued last weekend as the annual Birmingham Mela hosted the RBA team. Thousands of British Bengalis attended the extremely successful community Mela on Sunday 17th September. The Royal Bengal Airline (RBA) was one of the major sponsors of the event and was welcomed by the Birmingham Bengali community with open arms. Maruk Miah the Vice Chairman of the UK based airline company said "we at Royal Bengal Airline are proud to be part of this Community Mela".

The mayor of Birmingham, Mike Sharpe congratulated and praised the RBA team for their achievements to date and wished them all the best in the future. Hundreds attending the Mela flocked to the RBA team where enthusiastic individuals had the opportunity to learn more about the unique and exciting venture. Many booked investment meetings and others committed themselves to the project by investing into the company. The youth and females were amongst the Mela attendees who expressed their great dissatisfaction and concerns about the current Bangladeshi national carrier and how we desperately need a new airline.

Heron Miah, another vice chair of Royal Bengal Airline was also present on the day along with fellow directors, Shahidul Islam, Maruf Miah, Surat Miah and Hafiz Ahmed and Associate director, Mutahir Miah. All were amazed by the response from the community; "it is great to see that we have the backing from the Birmingham Bengali community to launch this airline and everybody was glad to hear that we will be placing a great emphasis on excellent customer service both to our domestic and international services." said Heron Miah
